How To Choose The Right Prop Money

- **Quality:** It is important to choose a variety that is made with high-quality materials and printing techniques. This will ensure that your money looks as realistic as possible and will last for years to come.
- **Denominations:** Consider what denominations of prop money you need. If you are filming a movie or TV show, you will need a variety of different denominations. If you'll be using for personal entertainment or collecting purposes, you may only need a few different denominations.

Purpose: Consider what you will be using it for. If you are filming a movie or TV show, you will need prop money that is made to withstand the rigors of filming. If you

are using it for personal entertainment or collecting purposes, you may be able to get away with using less.

How to Use Safely

- **Keep separate from real money.** This will help to avoid any accidental confusion or fraud.
- **Label clearly.** This will help to prevent people from thinking it's real money.
- **Do not use prop money in public places.** This could lead to confusion or fraud.
- **Be careful when giving prop money to children.** Children may not be able to distinguish between prop money and real money.
